

# PANTOMIME

Pantomimes have been produced annually in the Village Hall for at least the last forty years, and they remain an exceedingly popular form of local, live entertainment.

The performers are an ad hoc group – new people of all ages join in each year mixing successfully with the “old stagers” who are well known and loved in the village. The show is performed in the school half term in February.

Our main aim is to amuse and entertain our friends and neighbours, but there is good potential for fundraising and for making new friends.

We are always looking for new talent, so if you are interested in any aspect of local theatre ... producing, acting, playing music, scenery construction and painting, choreography, technical assistance, costumes, backstage work or running the bar, then please do make contact:
