SCREEN ON THE GREEN

Membership Application Form

Screen on the Green is the name of the Tanworth In Arden film society. The society has been established to provide a cultural facility for the residents of the Tanworth In Arden parish & the surrounding area, showing a range of quality films in Tanworth Village Hall. Screen on the Green is a member of the British Federation of Film Societies.

Screen on the Green will show a season of six films from October to March each year (one per month). The films for the 2005-06 season are listed, together with a brief resume, on the attached sheet. This year we will meet on the second Thursday of each month which will avoid the clash with other regular village events that we have had in previous years. The exception to this is February when we meet on the last Thursday to avoid a conflict with the Panto.

- Membership is open to anyone aged 16 and over.
- Joint membership is available for a maximum of two people living at the same address.

The annual subscription incorporates membership of the society and entrance fee to each film presentation per season (October to March). Fees for additional events for members (including fundraising or social events) are not included in the annual subscription. Unfortunately, we cannot refund subscriptions if you are unable to attend any of the film presentations, but please note that this year the subscription is less than previous years.

- Single membership seasonal subscription £15
- Joint membership seasonal subscription £30

Tickets for guests and non-members cost £4.00 and are available on the evening of the screening provided not all the seats are taken by members.

To become a member or to renew membership of Screen on the Green, please complete the application form overleaf and return to the Membership Secretary at the address shown.
